WHEREAS, the City government regards the children of our city as the hope of the next generation;

WHEREAS, to these children belongs the future and from whom shall emerge the leaders, educators, business persons and other professionals and entrepreneurs who will perpetuate the achieved progress of our city and further expand its socio-political and economic gain;

WHEREAS, it is imperative for the City government to invest its resources in the lives of the children in as much as education has become its number one priority;

WHEREAS, the City government endeavors to impose and raise to an ideal standard the quality of education in our City by providing each learner from Day Care Centers and public elementary and high schools with his own textbooks in all subject areas;

WHEREAS, the said project seeks to achieve the ideal ratio of one textbook per learner (1:1) in all Day Care Center and public schools in the City;

WHEREAS, the City government also aims to provide public schools with complete science laboratories, libraries, computer facilities and equipment that are geared at enhancing and maximizing the learning potentials of learners, thereby establishing in them a secure and strong foundation that will make them become competent and competitive in pursuing their dreams and aspirations;

WHEREAS, the City government believes that the people's money through the taxes they pay should be returned to them through the delivery of essential basic social services and implementation of notable projects that will benefit the greatest number of our city population.

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF QUEZON CITY IN REGULAR SESSION ASSEMBLED:

SECTION 1. The City government shall provide all Day Care Centers and public elementary schools with textbooks targeting the ideal ratio of one textbook per learner (1:1) in all subject areas;
