

QC vaccination slots fully booked

Tempo · 15 Apr 2021 · 1 · (Joseph Pedrjas)

The **Quezon City government** has announced that scheduled slots for those who want to get vaccinated against the coronavirus disease (COVID-19) are already “fully booked” until April 17.

This is due to the limited supply of COVID-19 vaccine coming from the Department of Health, the local government added.

“Kung may darating na supply ng bakuna ay agad kaming magbubukas ng schedule para sa mga susunod na araw,” it said.

For residents who already have confirmed registration at <https://app.ezconsult.io/signup> website, the local government advised them to get a vaccination schedule not later than Saturday, April 17.

“Importante po na magbook lamang kung kayo ay kabilang sa priority groups A1 (medical frontliners), A2 (senior citizens) at A3 (persons with comorbidities o may sakit gaya ng diabetes, sakit sa puso, cancer, hypertension etc) na ating binabakunahan sa ngayon,” it added.
